Sheboygan Area Youth Soccer Organization Code of Conduct

The Sheboygan Area Youth Soccer Organization was established to promote the game of soccer and to provide an atmosphere in which the game can be learned and enjoyed. To this end the Board of Directors has created the uniform code of conduct. All players, coaches, and parents of all recreational clubs are required to abide by this code.

Players are expected to conduct themselves in a sporting like manner at all times while participating in SAYSO events. Opposing players and coaches, as well as referees should be treated with respect. Our objective at all times is a recreational game played in a sporting like manner. All participants must support this goal if it is to be attained.

Coaches, including assistant coaches, are charged with the responsibility of controlling their players, parents, and themselves at all times during the game. Continual chiding of referees, failure to maintain order on the touchlines, failure to control his or her players, or willful violation of any league rules are unacceptable. Coaches who continually disrupt the game will be expected to leave the sideline for the remainder of the game. The game may be ended at the discretion of the referee.

Parents can be a very positive influence on the game of soccer and are encouraged to attend as many games as possible to support their children. Just as a parent can be a positive and encouraging presence, he or she can also be a negative influence. Parents who are disruptive and disrespectful to referees, other parents, players, or coaches cannot be tolerated. Coaches will be asked to control disruptive parents. If the situation does not improve, the referee has the right to ask the parent(s) to leave the field. If the parent(s) is unwilling to do so the referee may end the game.

Guest Players will not be allowed for the purpose of maxing out spring league roster, i.e. if spring league roster is 15 you may add players to keep roster at 15, not to increase it from 15 to 18. If your current roster exceeds league roster limits you may not add players to exceed league roster limits.

Tournament Roster limits: U-8 = 12 players; U-10 = 15 players, U-12 = 18 players, U14 = 18 players

Current FIFA Rules apply with special emphasis on the following:

Misconduct:

As defined in the laws of soccer misconduct may be of two kinds: misconduct resulting in a caution, and misconduct resulting in ejection.

Caution (indicated by referee raising a yellow card):

A player may be cautioned for:

- 1) Illegal substitution - entering/leaving the field of play without the referee's permission.
- 2) Persistent breaking of the rules.
- 3) Dissent, that is, arguing with the referee.
- 4) Unsporting like conduct, that is, deliberately interfering with the referee's control of the game by such means as purposely delaying the game, insulting behavior, or particularly hard fouls.

Ejection (indicated by referee raising a red card):

A referee should automatically eject a player for:

- 1) Violent behavior, such as spitting, striking, or maliciously kicking another player.
- 2) Foul behavior or abusive language.
- 3) Persisting in misconduct after receiving a caution. A player cannot be cautioned twice in the same game. The second caution must result in ejection.

The SAYSO-Tournament Board of Directors reserves the right to remove any player, coach, parent or team from further participation when said player, coach or his/her parent/guardian or team acts in any way that is detrimental to the safety of others or the enjoyment of the game.
